Mr. Monte Irvin,
Lincoln University,
Chester County, Pa.

Dear Monte:

I am writing to enclosed you your transportation. I will send enough to bring you all the way to Newark, in case it should be raining in Trenton, but you meet the Team in Trenton Saturday, as we are playing a game there Saturday Afternoon at Dunn Field at 2 P. M. I will have a uniform for you.

If it should be raining, you could call the Ball Park in Trenton and see if the Ball game is off, in that case you can come straight to Newark. We will go over all the details of you amateur standing and finances when I see you.

Yours very truly,
